Westminster Football and Cheerleading Association

## 2016 Sponsorship Drive

The Westminster Football and Cheerleading Association is currently seeking sponsors for the 2016 season. Our program is a non-profit organization involving nearly 300 boys and girls, ages 5-14, from the Westminster area.

Sponsors are the most important part of our program. Your financial donations help to purchase new equipment and uniforms, recertify all of our existing equipment on a yearly basis and maintain our playing fields. Without generous sponsors like yourself our program would not exist.

We have established 3 levels of sponsorship from which to choose:
